WELCOME HOME FROM THE DIRECTORS

"Welcome home." This simple greeting represents more than you would think. For so many of us, MFM was our very first furry convention. For me, MFM was the moment when I discovered that there were others like me and that while I was quite weird, I was not alone.

For the past 20 years, friends and family have called MFM home. While some have sadly departed this world and others have simply moved on, I am confident that as a family of friends we would welcome them back home with open arms. I have spent considerable time thinking about my fondest memory of MFM to share with you. I had made a friend online who was attending the convention, and I mentioned that I might show up to say hello in person. My plan was to check out the convention incognito, and if it was just too weird then I could escape unseen. My office was close to the Holiday Inn Airport, and I took an opportunity to sneak into the hotel as a random businessman. Blending in with all the other professionals I was able to wander around the convention space safely investigating this whole furry thing.

Within moments of walking up those stairs to the lobby I was greeted by a happy bouncy fursuiter. Well, 14 years later, I have attended numerous furry conventions, own three fursuits, helped found a furry convention, have worked every job from volunteer to con-chair, but in all that I have done nothing that feels better than that heartfelt "Welcome Home".

-Alex, Security Director

Wow, another year has gone by? I thought it was just yesterday when I opened up the meet wearing a custom Tux, and closed with my Electric Motorman's outfit. But yet the year has passed on, bringing us to the famous words: "Welcome Home". I look forward to hearing it every year. I look forward to visiting with all my old and new friends. We have worked hard to offer you a fun and safe weekend. I always encourage all to either participate or watch the Masquerade, have fun with the karaoke, or any of the other events. Or, the best part of this meet, you can just relax, chat with friends, play some games and enjoy the feeling of a family reunion. So I say to all of you. Welcome Home.

-Blueheeler Sunfire, Masquerade Director

Yay!

We made it to the big 2-0!

MFM is such a constant thing in my life that it's no surprise that this year we're celebrating 20 years together. My summer wouldn't be the same if it wasn't for a trip to Memphis every year to go hang out with a bunch of crazy animal people over Labor Day.

2016 has been a rough year for a lot of people in our family. There's been so much ugliness in the world that I've been moved to tears wondering what has happened to the world to get us into the spot we're in. I still don't understand it..

But! For this weekend, we can escape. We're all now at Mephit Fur Meet, and it's a happy place. I know I'm gonna relax and enjoy being with my friends and family in the crazy place some of us call home. For the next few days none of that matters. We're all home again and, the love for everyone, no matter who they are, overflows and oozes out of every corner. <3

Welcome home. :)

-Bunny, Registration Director

Every year you hear the words "Welcome Home", but have you ever stopped to ask why we say it? Let me tell you why I say it. When I was first starting out in my "furry life", I was coming from a very secluded little community in rural Alabama. I didn't even know what furries were until after high school. I met some friends from some very old school chat rooms and felt safe enough with them to make the journey to MFM. Although I hide it well I have a fair amount of social anxiety, and being at MFM not knowing more than the people I was rooming with initially was very daunting. It was the first time I was meeting Rama in person and tons of others, but EVERYONE was so welcoming and open and happy and carefree that I felt truly as comfortable here as I felt in my own home.

As the years progressed and I was introduced to more and more people, we all started feeling like a huge family. Now, we as staff knew in 2009 that we were moving, we knew the way Tyger was going to break the news to everyone, but the gasps and palpable heartache when he left everyone hanging with his words and the video that showed the new location, was heartbreaking. The response to the video had me in tears as well and I truly do feel like we are a huge family and we really do want you to feel like this is your home, and we really do mean "Welcome Home".

-Goliath, Medical Director

Welcome Home!

Wow, 20 years of MFM and my 16th welcoming everyone home at Opening Ceremonies. It always is so amazing seeing how things have grown over the years. Planning for this year began before MFM 19 actually happened, so this is a big deal for all of us! I love MFM and it's always so much fun to make people laugh and smile with my silliness. As much hell as we go through, it's still a labor of love I would never give up on!

For many of us, this have again been a hard (and crazy) year and we ALL need time for fun, friends and even some pizza! Check the drama and sucky things about being an adult at the state line. I have some new and fun things planned for everyone and I hope you all enjoy! Don't forget to come see me in the Critter Cafe and say Hi!!!

GUEST OF HONOR: NOXYCHU

"My name is Sarah Schnau, but I'm more commonly known as Noxychu.

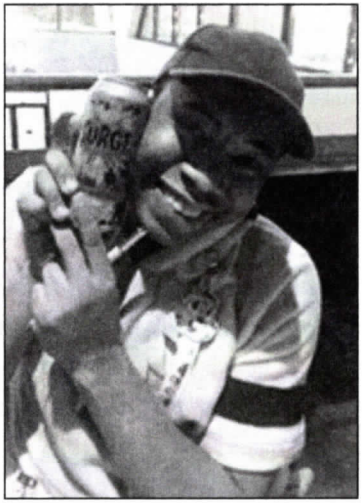
I am a Freelance Portrait Artist and I was formerly an employee of the World of Warcraft Database website known as Wowhead, creating miscellaneous illustrations and logos. I am now working for the awesome Editorial website known as Blizzard Watch.

Born in the United Kingdom, I immigrated to the USA in 2011 and I'm currently living in North Texas. I have been drawing for most of my life and attended an art school/college back in England. I've also recently been featured on the official Warcraft website in a Community Spotlight!

As a Warcraft Fan-Artist, I had already been drawing a lot of anthro species including Draenei, Tauren, and Arakkoa (goat, cow, and bird respectively), so taking the leap into the Furry genre was an easy one! As such, I'm still relatively new to it, but I have absolutely fallen in love with the friends and clients I have gained.

This year was my third attending Texas Furry Fiesta as a dealer, but I have also joined them on Staff doing some work with Theme and Decor. This year at Mephit Fur Meet is my first time ever being invited as a Guest of Honor, and I am super excited to be here!"

ENGINEER OF HONOR: TAVI MUNK



Our theme for 2016 is "All Board," and our staff knew that we couldn't have a train theme without an Engineer! We are happy to introduce our Engineer of Honor, Tavi Munk!

Tavi has been a supporter and a dealer at MFM for many years, and we're super excited to have him driving our train this year!

THE RAINBOW BRIDGE

A Short Story by Goliath Wolf

As I slept last night, with my dog at my legs, I dreamed that I had died and was making my way to the afterlife. At the final judgment stand, I was given a choice, I could be judged for my life on earth, or spend time in one of the many departments trying to atone for the bad parts of my life. I took a few minutes to think back, remembering the hurt and pain of losing so many friends and friends' pains when they lost a member of their family.

With a hopeful heart I looked up and stated that I wanted to work the rainbow bridge. If you are not familiar with the rainbow bridge, that's the animal pathway to the next life where they will be pain free and reunited with their owners. The angel looked at me with tears of joy in his eyes and smiled, "In the eternity that I have been at this post, never has anyone made that request." With that, he stepped out from his podium and took my hand like an old friend, and led me to the rainbow bridge.

As I approached, there were tears of joy as I saw familiar wagging tails and smiling dog faces. My own passed on pets were there to meet me. While time had taken its toll on me I was instantly recognized by not only my pets, but the pets of friends and family that had gone before. It was then that St Peter explained to me what I would be doing. It would be my job to go and travel unseen to the living world, to be there in the final moments of a pets life as their owner holds them and says their goodbyes, and to help lead the animals over the bridge and to help provide comfort and reassurance to them.

I would walk the bridge every day and help file all the information about the pets so that when the time for their owners to come over, they would be reunited without pain and as happy as ever. As tears streamed from my eyes, I asked one final question of St Peter, I asked "do I ever have to leave this place?" He replied that I did not have to leave if I didn't want to go, but that I would have a lot of visitors, including the big man himself.

I didn't care, I was with the best of friends in the entire universe, and this is how I wanted to spend eternity. I was in a meadow with all of the animals around me, the most peaceful I had ever been when I awoke to my dog licking my face. At that moment I held him tight and cried, for I know that even though we may feel the loss of our pets when they cross over, they are waiting for us, as healthy as they can be, waiting for us to join them and be reunited & happy for eternity.

CODE OF CONDUCT

The following is the Code of Conduct for Mephit Fur Meet. Please read it carefully, as you are expected to follow it while at MFM. You will find the most prominent changes for this year underlined.

INTRODUCTION

The Mid-South and Tennessee Anthropomorphic Art Association (aka Mephit Fur Meet aka MFM) hosts an annual gathering of friends and family, to raise awareness of anthropomorphic art, and raise money for our chosen charity. To help ensure these goals are met, we have established the following code of conduct for the Mephit Furmeet. This code applies to all attendees, staff, volunteers and directors in attendance. For the purpose of this document, it is considered to be in effect from the moment you arrive at the host hotel and convention until you depart. Please note, opening and closing ceremonies do not mark the official start and end of the convention.

It is the goal of Mephit Fur Meet make everyone that attends MFM feel welcome and accepted. The goal of these rules is not to provide restrictions, but to help everyone feel as safe and welcome as we can possibly be.

SECURITY STAFF

Security Staff will have distinctive uniforms and/or badges and will be patrolling or stationed at needed locations. Please cooperate with MFM and hotel security at all times. (Hotel staff does have the same authority as a member of the convention Security Staff.) If MFM Security or Hotel staff asks you to move your activities or modify your behavior, failure to do so will be considered a violation of the convention Code of Conduct.

THREE STRIKE RULE

MFM operates on the three strikes rule. We feel that attendees should have an opportunity to correct behavior that is in violation of the code of conduct. All violations of the code of conduct will be documented to provide transparency. If a violation of the code of conduct is deemed severe, the directors reserve the right to forgo the three strikes rule and revoke membership on the first offense.

MINORS AND ADULT MATERIALS

Any attendee under the age of 18 will be issued a Minor badge, and any attendee who is under the age of 16 must be accompanied by a parent or legal guardian at all times in MFM-controlled areas, including the Dealers Den and the Con Suite. Parents/Guardians will be held responsible for issues or damage caused by their children.

The general rating of the convention is considered to be "PG" at all times in all convention and public hotel space. Special events that are designated as "After Dark" events are considered inappropriate for minors, and are an exception to this rule. Security or MFM staff will attempt to prevent any unauthorized access by minors. Badges must be worn at all times during these special events.

DISPLAYS OF AFFECTION

While the Mephit Fur Meet promotes tolerance and diversity, PDA (Public Display of Affection) and nudity will not be allowed. Back scratches and hugging are acceptable, regardless of gender or sexual orientation. Please use common sense. If you have to ask or think twice about doing something in public, take it to your room.

ATTIRE

Attendees, while in public areas (lobby, parking lot, hallways for example) may not wear clothing that is overly revealing or inappropriate for the "PG" rating of the convention. Bondage, fetish gear including leashes are not allowed in public spaces. Due to the nature of the fandom, collars are permitted, however, leashes are considered not only a fetish item but a safety hazard, and may not be worn in public spaces. Because of the risk of injury, leashes may not be connected to someone's neck at any time, regardless of location.

Security staff will ask that articles of clothing/costumes that are representative of hate groups, gangs, terrorist organizations, or that are determined to be inappropriate be removed and not displayed while at the convention. This includes certain military uniforms both reenactment or cosplay versions. Making everyone feel welcome at Mephit Fur Meet is always our goal, so our Directors reserve the right to

make a decision at any time on the appropriateness of attire.

INAPPROPRIATE ARTWORK

If an attendee is found to be drawing, displaying, affixing or writing hateful, offensive or items that violate our PG rating in/on public message boards, art jam posters, convention signage, or any other hotel or convention area will have their membership revoked and will not be welcome back at MFM in the future.

USE OF BADGES

You must wear your badge at all times while in public convention space. Your badge will contain a badge name of your choosing, and a unique number. You may not alter the badge in any way to permanently obscure any of these elements. You must show the full badge, to any member of con staff, security, hotel staff, or law enforcement agency that requests it. If you alter your badge in a way to break this rule, you will be required to replace your badge at your own expense. Any person found using a counterfeit badge will be turned over to hotel security. Anyone found making copies of their badge for others will have their membership permanently revoked.

SMOKING AND E-CIGARETTES/"VAPING"

Per hotel policy, all public areas and sleeping rooms of the hotel are non-smoking. This includes vaping. Whispering Woods is 100% smoke free, you may only smoke in designated areas outside the hotel. Whispering Woods' policy on E-Cigarettes / Blu cigarettes / vapor cigarettes is that it is treated as a regular cigarette and can only used in the appropriately designated areas. Evidence of smoking in the guest room will result in a $150 charge to the guest's credit card by Whispering Woods.

WEAPONS

Weapons or items that can be easily mistaken for a weapon are not allowed at the convention. This also applies to any legal permits you may have to carry a weapon. We do not disagree with your right to carry a legal weapon, but attendance of the convention means you cannot carry it at MFM. Single blade folding "pocket knives" under 3 inches in length or small Multi tools are allowed. Policy, laws and regulations of the local jurisdiction and hotel rules take precedence.

Non-Realistic, prop weapons will be allowed as part of a costume. These prop weapons must be inspected, approved, and bonded by a member of MFM Security prior to display.

HARASSMENT

Harassment of any convention participant, of any type or in any way, will not be tolerated. Harassment is a major violation and will result in removal of your badge and expulsion from the convention. If you are told "No" or "Leave me alone," you do not need to be told a second time. If you find yourself a victim of harassment of any kind, please notify a member of Security immediately so the situation may be dealt with. There are many sub-groups within our fandom. We realize that not everyone agrees with what these groups represent. We have a "no harm" policy in this regard. As long as these folks are not causing trouble and are respecting MFM's rules, we remain neutral toward them, and they are welcome to attend. Harassment of a sub-group will be considered harassment of an individual and will be dealt with in the same manner.

GOODS FOR SALE

There is to be no selling of any goods or services outside of the Dealer's Den and MFM-sanctioned auctions. Please consult the MFM Dealer's Den Policies for more information. If you are found selling outside the sales area, your information will be turned over to the Mississippi Department of Taxation for sales tax collection.

CRIMINAL MISCHIEF

Any attendee found intentionally engaging in acts which endanger life or property (pulling fire alarms as a prank or hotel vandalism are good examples of this) will have their membership revoked on the first offense. They will also be considered unwelcome to future events sponsored by MST3A. For egregious offenses, law enforcement may be called. Issues will be handled by Whispering Woods security, whom may choose to file criminal charges.

HOTEL PROPERTY DAMAGES

Do not damage hotel property. This includes, but is not limited to drawing on walls, furniture, tablecloths, etc. You are liable for any damage to the hotel property. Any damage to hotel property will be handled between yourself and our hotel, not Mephit Fur Meet. Mephit Fur Meet will provide the hotel with as much information as they request for the purposes of identifying the parties responsible for damages, including (but certainly not limited to) use of our Security team and registration database.

SERVICE ANIMALS

Do not interfere with service animals. They are there to provide for the safety of our attendees who require them. Do not pet a service animal without permission of its handler. If you harass a service animal, it will be viewed as harassing the owner and the harassment policy will be enforced.

Service Animals must be leashed and under the control of their owner/handler at all times while in convention space. Retracting leashes must be locked to prevent the animal from freely roaming away from the owner/handler. If a service animal becomes a nuisance (running free, growling, excessive barking) at or to other service animals or attendees, the owner will be asked to remove the animal from the convention space. We follow ADA regulations as far as Service Animals and will do what we can to accommodate Emotional Support Animals but the same MFM rules apply for either.

PETS

Pets are not allowed in con-controlled areas. You are encouraged to check with the hotel to determine what their policy is regarding pets in your hotel room. Mephit Fur Meet is held during the summer in the south, so we ask that you do not leave pets in your car.

PRESS AND MEDIA

In accordance with respect to local and state laws, Mid-South and Tennessee Anthropomorphic Art Association doing business as Mephit Furmeet and also known as MFM, will not allow any type of photographic or video media coverage in any convention controlled areas. This includes but is not limited to any convention-controlled space. MFM also requires that every attendee must consent in writing to being photographed or recorded in any public space at the convention hotel location by the press and the written consent must be kept on file for a minimum of one year. If not all attendees consent to this, then any type of broadcast or publication is not allowable by any media outlet. It is also not allowed to photograph or record from any public space into any convention-controlled space. Any media wishing to discuss coming to MFM must do so a minimum of 90 days prior to the start of the event.

If a member of the press is found by any MFM attendee, they should contact a staff member immediately so that the staff member may present them a written copy of the MFM Press Policy in addition to an information packet about MFM.

No photographs or video of MFM may be used for any type of commercial use without prior written consent of Mid-South and Tennessee Anthropomorphic Art Association and cannot be used for any financial gain. Any personal photos or video that are taken at MFM and placed on the Internet, if asked, must be taken down immediately.

INTERNET ACCESS

Hotel provided internet is done as a convenience for attendees. Any attempt to compromise or gain unauthorized access to the hotel networks will be seen as a crime and turned over to hotel security and local authorities.

Anyone found using an MFM-provided network for illegal or inappropriate activities such as trading of copyrighted music, software, movies, or mature subject matter will have further access to all MFM-provided networks terminated permanently. Violators may also face revocation of convention membership privileges.

VALUABLES

Please do not leave any valuables in your vehicles or plain view in your room especially if you are hosting room parties. The hotel and MFM will do all we can to ensure nothing will be taken but are not responsible for anything missing. In other words, use common sense, but

ultimately, keeping your valuables safe is not the responsibility of Mephit Fur Meet.

BARBECUE GRILLS/OPEN FLAME

Barbecue grills may not be used inside your hotel room or on hotel balconies. You may not have an open flame in your hotel room or balcony.

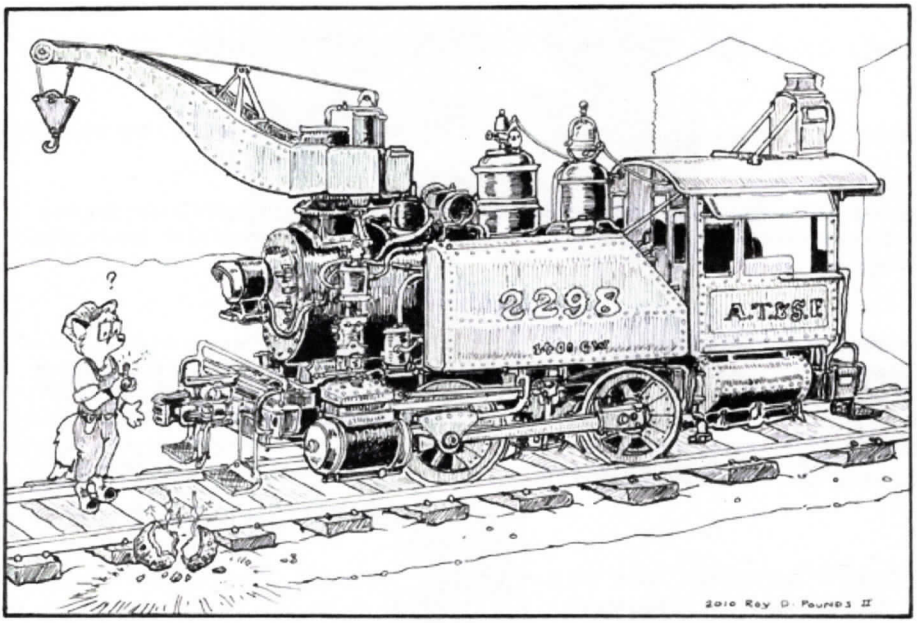
ALCOHOL CONSUMPTION

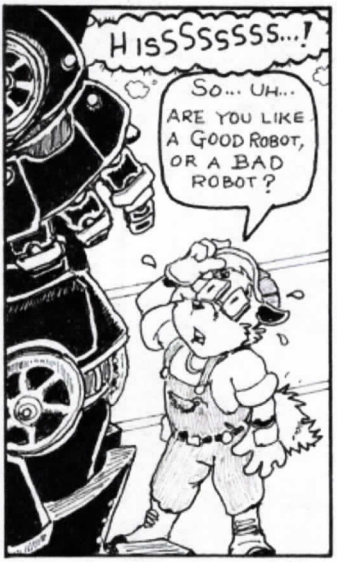
There is no open consumption allowed in any MFM controlled space without prior written approval from the MFM Directors. Consumption should be limited to private rooms or in the hotel bar or restaurant area. Any minor found consuming alcohol will be turned over to hotel security.

ROOM PARTIES

MFM welcomes room parties as long as they stay in control. Rooms parties are responsible for carding attendees if alcohol will be served and if minors are found, those running the room party will get to have a talk with the authorities. The hotel requests things be kept quiet after 11pm and if after being asked to turn things down, security has to make a return visit, the party will be shut down. The Critter Cafe is not the room party supply, anyone found taking beyond normal amounts of things will be banned from the Critter Cafe.

Please visit mephitfurmeet.org/code-of-conduct/ or scan the below QR code to keep up to date on our policies.





Special Thanks to David Buttenshaw For the Idea.

EMERGENCY ACTION PLAN

n the event of an emergency, we've put together the following Emergency Action Plan for our attendees.

- Please gather in the Amphitheater, Panel Rooms, or Hallway at the bottom of the stairs on first floor. These are recognized emergency sheltering areas by the hotel.
- We will attempt to have water coolers in these areas in the event we must shelter for an extended ıeriod of time.
- Staff will be located in both locations to keep you advised of weather updates and when it is safe to 'eturn to your rooms.
- In the event of power failure, Suiters are asked to return to their rooms and un-suit. This is to cut down on heat and possible odors.
- In the event of fire, the evacuation routes are posted on the back of your hotel room door. We will ask that IF this happens, please head to the Pavilion for shelter and to keep the surrounding areas clear for Emergency Personnel.

The Mephit Fur Meet Emergency Action Plan may change at any time.
Keep up to date with the latest changes at

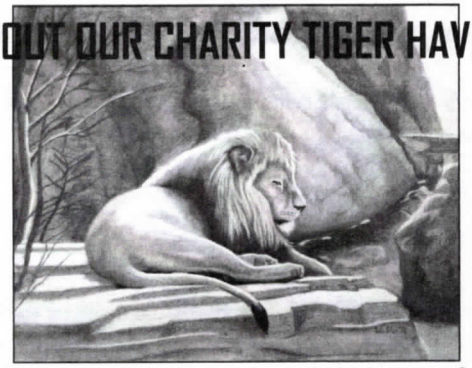
ABOUT OUR CHARITY TIGER HAVEN



As in years past we will be holding a charity auction to benefit Tiger Haven, a safe home for big cats. Tiger Haven rescues large cats such as lions, tigers, and panthers from all over the United States. These big cats may be anything from older circus or zoo cats, to cats that were obtained illegally or were neglected or abused. Once these cats have been rescued by Tiger Haven, they have a forever home. Tiger Haven is a no kill shelter that does not sell or breed their cats.

Tiger Haven started with just one cat many years ago and has grown to over 250 big cats. All these cats require enclosures to live in, food and veterinary care. These costs add up and care for each cat costs thousands each year. Tiger Haven is a nonprofit organization, which means that they rely on donations from caring individuals. The auction held each year at MFM is often the largest single contributor to Tiger Haven. Beyond the normal care for the big cats, the money raised at MFM has built multiple enclosures for Tiger Haven. These are nice enclosures that become a forever home for a big cat in need.

Tiger Haven is located in eastern Tennessee and usually affords MFM a couple of their long time workers to be with us at MFM and at the charity auction. This is not a nameless, faceless organization that we are blindly helping. These workers will happily answer any questions you have about Tiger Haven. These people work hard everyday to ensure these big cats have a safe and comfortable home for life.

Money or items donated to the charity auction held every year at MFM all go directly to Tiger Haven to be used to help these big cats in need. On behalf of these big cats who now enjoy a safe home in the caring walls of Tiger Haven, we wish to thank you for any help you can give.

For more information, please visit their website at http://www.tigerhaven.org

CHARITY AUCTION RULES

1. The auction shall commence with the offering of the first item for bid along with a minimum bid value. The bidding shall continue until such time as no new bids are received and the auctioneer declares the bidding closed.

2. Bidding on an item constitutes a promise to purchase that item if you are the highest bidder. Failure to purchase an item you have won the bid for will be construed as a violation of the rules of conduct and you will be removed from the auction area.

3. Payment for items won must be made no later than at the close of the auction All payments must be made in US currency. At the discretion of a Tiger Haven representative, a check or credit card may be used for payment in lieu of US Treasury Notes.

4. Signaling of a bid will in the form of a raised hand, paw, hoof, flipper, tentacle or whatever you happen to use for a grasping device along with an optional declaration of value for the item. Once a bid is offered it may not be retracted.

4. Bids in error due to overzealousness by the auctioneer misinterpreting a non-bidding motion may be dropped at the auctioneer's discretion ONLY if it is brought to their attention immediately.

6. The buyer assumes all responsibility for removal and transportation requirements for any item they should win.

7. All items are on an "as is" basis. There are no implied warranties or services with any item unless it was specifically listed as part of the items value. In any case, the Mephit Fur Meet, Auction Coordinator, Auction Staff and Tiger Haven shall not be held responsible for any item in any way.

8. Donations of duplicate items: In the past, people have donated several of the same item, i.e. an electronic toy or an art CD. Auctioning these items can be troublesome as the first one will sell well, but the others will go cheaply, causing distress to the person who won the first auction. As such, the Charity Auction Coordinator reserves the right to refuse such multiple donations or to simply sell the items outright rather than attempting to auction them.
9. At no time will any item be accepted on the condition that a portion of the funds raised by it are returned to "cover the cost of the item." If you are making a donation of the item, then you're donating the full value. Tax deductible receipts will be provided by Tiger Haven upon request.

No alcohol consumption is permitted at the auction or in public Fur Meet areas. This is a family-oriented event and we don't need furs getting smashed during it.

Disruptive behavior will not be tolerated. At the Auction Coordinator, Auctioneer or MFM Security Staff member's discretion, any person who is considered to be a continuing disruption to the event will be removed from the auction area.

Although this is a family oriented event, items of a possible adult nature (art) may be placed up for auction. Such items will be covered in such a way as to "fig leaf" the image for public view. No party under the age of 18 will be permitted to bid on any item declared to be of adult nature. Bidding by a minor for such items will be considered a violation of the rules and that person may be removed from the auction.

Taxes: Although this is a charity auction, and Tiger Haven is a 501(c)(3), not all of your bid value is tax deductible. You may only deduct the value paid for an item that exceeds the appraised or fair market value of the item. In short, if the item is selling for $50 on the open market and you buy it for $70, you can deduct $20. This information is not to be considered legal tax advice. You should consult with a tax attorney or accountant to determine how much you may or may not be able to deduct.

These rules may be amended, changed or even dropped at the discretion of the MFM Charity Auction Coordinator. Remember, that you may still drop off any items for auction at the Charity Auction table in Registration. Donations will be accepted during up until two hours before the actual auction at which time the Charity Auction Coordinator may, at his discretion, decline the donation for this year's auction. Any items which are not sold at auction, will be offered to Tiger Haven or return to the donating parties if they so desire, otherwise they will be held over for the following year's auction. Thank you for helping us to support Tiger Haven and enjoy the fun!
